Cleaning Staff - Covid - PPE

Total numbers of cleaning staff (FTE) in Sept 2019 and Sept 2020.

	Sept 2019	Sept 2020
Council	348.6	377.3
PPP1 AMEY	54.4	58.6
PPP2 MITIE	84	88

How many extra cleaning hours have been put in place in order to meet the demands of COVID?

	Additional Hours Per Week
Council	2,646
PPP1 - AMEY	67.5
PPP2 - MITIE	120

How much money has been allocated for extra cleaning supplies and equipment to meet the demands of COVID?

There has been no pre set allocation of funds for extra cleaning supplies and equipment. The Council will spend whatever is required to comply with Health Protection Scotland and Scottish Government guidelines and recommendations.

How much money allocated for PPE?

As above, there has been no pre set allocation of funds for PPE. PPE will be issued as directed by Health Protection Scotland and Scottish Government guidelines and funded by the Council.

How much extra money have you applied for from the government's allocation of extra funding for cleaning?

We do not hold this information. The Scottish Government's cost collection exercise for schools re-opening is currently being developed and we expect to be advised of the process in early November. The Council will supply the information requested within the timescales set out by the Scottish Government.

Is your cleaning service provided by directly employed staff?

Council – Yes

If not:

Who is providing the cleaning service?

PPP1 – Amey
PPP2 – Mitie

What actions are you taking to ensure the service providers are meeting the new guidelines?

In addition to the daily clean, the Council have a rolling 30-day programme to undertake fogging / electrostatic works within the school estate, including PPP.
