Please release copies of all communication - including any attachments - between council officials (for example the Director of Education, or staff from the education department) and secondary schools in the area regarding the Alternative Certification Model for 2021 results.

The time frame for this request is 01/03/2021 - present

I have attached pdf copies of the information we hold. The emails and attachments are provided separately but you should be able to identify these from the file name on the email.

Please note that third party personal information has been redacted from the information provided.

In addition, information attached to the email titled "210427 data for schools_Redacted" has not been provided. We would not release numbers less than 5 as this could lead to an individual being identified. Therefore, to provide this information there are 3,400 lines of data which would need to be reviewed and redacted as appropriate. At around 30 seconds per line, this task would take an officer 28.3 hours. The body of the email explains what information is contained in the attachments.
