

Proposed sale of an area of common good land to Blackhall Community Trust

Blackhall Community Trust wishes to buy an area of land, including the existing Ravelston Park Pavilion, to create a new fit for purpose nursery and a new community facility. They plan to do this through a Community Asset Transfer and we have agreed that they can do this.

The area of land they wish to purchase is shown outlined in red in the plan below. This area is approximately 1231 square metres and in the south east corner of Ravelston Park.

This land has Common Good status. While we support the Community Asset Transfer, the Community Empowerment (Scotland) Act 2015 states that if a local authority wishes to dispose of an area of Common Good land they must consult local communities before taking any decision. If there is support for the sale of common good land to Blackhall Community Trust, we would then need to go to Court to seek permission to sell the land.
