Subject: Ravelston Park - Common Good Consultation

Hi Sara

Further to our earlier conversation, I am looking to move forward the community consultation in respect of the sale of common good land (as part of a community asset transfer) at Ravelston Park. I had discussions with [REDACTED] about this before she left.

I attach emails outlining the current position together with a draft flyer and comms action plan. I am looking for some guidance as to the right contacts and the best way to proceed with the consultation. I would be grateful if you could have a look at the attachments and advise as to whether you consider the approach proposed to be sensible.

Happy to meet to chat through once you have had a chance to go through things - meantime please do not hesitate to contact me should you require anything further.

Kind regards
Brian
