Subject: Common Good Consultation - Ravelston Park

Hi Peter,

You may recall that the Community Asset Transfer of Ravelston Pavilion was approved at Finance and Resources Committee on 7th May, subject to resolving the common good issue pertaining to the park. The council has instructed Counsel to prepare a petition for the Court of Session (funded by Blackhall Community Trust) to remove the inalienable status of the park to allow the transfer to proceed.

As part of this process, a 8 week public consultation is required to show the court that the proposal has the support of the public. The consultation will run from 16th August until 11th October and can be accessed on the Consultation Hub at

<https://consultationhub.edinburgh.gov.uk/cg/proposed-sale-of-an-area-of-common-good-land-to-bl/>

Paper copies of the consultation will also be available on request.

The proposals will be widely publicised locally including a notice in Blackhall Library, communications via Blackhall Primary and targeted social media posts. Please feel free to share the consultation web site with any interested parties.

Please do not hesitate to contact me should you wish to discuss any aspect.

Kind regards
Brian
