

Given the urgent nature of these works, normal expectations about community consultations cannot be fulfilled. We urge you to get in touch within five working days or earlier should you want to raise

any issues. If you do not have any concerns it would be beneficial if you could also email to let us know. This means we will have responses from all stakeholders which helps to inform the process.

Please note that the deadline for submitting comments is Monday 15 June at 5:00pm.

If the proposals are approved for implementation, formal publicity will be undertaken so that local people are aware of the changes. A dedicated inbox will help us to manage any feedback around proposals – spacesforpeople@edinburgh.gov.uk

I have attached the proposed designs for each of the schemes.

All comments will be reviewed and where possible the schemes will be refined in response to feedback. Comments will be summarised in the assessment feedback form to the Council Incident Management Team for approval, but please note that we will be unable to respond to individual emails.

Regards

Spaces for People Team
