Please note that Environmental Health is at the forefront of dealing with Covid-19 compliance in businesses throughout the city, this has diverted the service away from our routine work, Food Standards Scotland has supported this and we have been working with them on a Local Authority Recovery Plan to re-establish our food law inspection program at an appropriate time.

How many new food businesses have registered with your council between financial year 6 April 2020 and 5 April 2021?

550

Of all the new food businesses who have registered with your council between financial year 6 April 2020 and 5 April 2021, how many of those were first inspected by an environmental health officer within 28 days of their application?

40

Of all the new food businesses who have registered with your council between financial year 6 April 2020 and 5 April 2021, how many of those have still not yet been inspected by an environmental health officer?
