

## 34064 Food & Drink Used in Schools

Supply of the following to schools:

Meat: Chicken, Fish, Beef and Pork

Dairy: Yogurt, Milk and Cheese

Vegetables: Carrots, Peas, Potatoes and Broccoli

For each of the above products used by the local authority in its schools, please supply:

- Name of Supplier and its location (see question below)
- Country of origin
- Quantity ordered (by number of units or item weight/ volume as appropriate) Total spending on each product (including cost per item if possible)

Meat: Chicken, Fish, Beef and Pork – Campbells Prime Meats

Dairy: Yogurt, Milk and Cheese – Brakes Scotland / Muller Wiseman

Vegetables: Carrots, Peas, Potatoes and Broccoli - George Anderson & Sons

Please refer to the attached documents which provide a proportion of the information requested. Please note that, due to a technical issue with Muller Wiseman's systems, the information cannot be extracted, however they have confirmed that 100% of the milk bought in Edinburgh come from Scottish farms.

With regards to identifying the unit costs per item, we consider these to be commercially sensitive and shall not be provided on this occasion.

Does the local authority contract directly with any suppliers for any of the above products used in schools?

If so:

- Please give details of each supplier
- How many of the firms supplying food & drink products are based within the local authority area?
- How many of the firms supplying food & drink products are based within Scotland and where?
- How many of the firms supplying food & drink products are based within other parts of the UK and where?
- How many of the firms supplying food & drink products are based outside of the UK and where?
