

34175 Blocked Drains

How many blocked drains have been reported to the council over the past 5 years (2017 to 2021) broken down by year?

The number of 'Blocked Gully Enquiries' within each Financial Year is as follows:

2016/2017 – 1,816

2017/2018 – 2,126

2018/2019 – 2,497

2019/2020 – 5,228

2020/2021 – 4,368

Please note that these figures are the total number of reports recorded and will include multiple reports made for the same gully. The number of reports made will therefore be higher than the actual number of blocked gullies.
