

35053

Any and all information held by the City of Edinburgh Council ('the Council') in respect of or relating to internal correspondence, minutes, plans, maps, diagrams, notes of meetings, notes of telephone calls, notes or recordings of video conference calls and/or any other form of internal communication within the Council in respect of the proposed junction alteration at Great Junction Street/Mill Lane, Leith, Edinburgh from 1 October 2020 to date (2/12/21).

[Please see attached Roads Occupation email extract together with the attachments.](#)

Any and all information held by the Council in respect of or relating to correspondence, minutes, plans, maps, diagrams, notes of meetings, notes of telephone calls, notes or recordings of video calls and/or any other form of communication between the Council and Glencairn Properties (including any agents acting for the same) from 1 October 2020 to date (2/12/21).

[Please see the attached email extract.](#)

[We also hold some commercially sensitive information which we are unable to release at this time.](#)

[The Council acknowledges that there is a clear public interest in the release of the requested information to ensure that there is transparency and accountability in the actions of the City of Edinburgh Council. However, the information requested contains sensitive commercial information relating to the business decisions by Glencairn Properties. If this information is released into the public domain, it would prejudice the commercial interests of both the Council and Glencairn Properties.](#)
