

35178 Alcohol-use Support Service

I would like to request the council's budget for alcohol-use support service for the years 2018, 2019, and 2020.

If possible, I would like to know the percentage of the council's budget these figures comprise.

There is no separate budget for alcohol-use support services. The budget that would include this is inclusive of alcohol and drugs services.

Similarly, in terms of the percentage requested, the Edinburgh Alcohol and Drug Partnership (EADP) includes funding from both the Council and NHS Lothian so again, it is not possible to identify a Council budget solely for alcohol-use support services.
