

### 35197 Care Homes

How many care homes within the local authority are not taking admissions and the reasons for this, broken down by whether they are publicly or privately owned.

As this relates to a changeable environment, we are only able to provide a snapshot figure. As at 23 December 2021 there were 12 care homes closed to admissions. One City of Edinburgh Council registered care home and ten private/independent care homes were closed to admissions due to Covid-19; One private/independent care home was closed to admissions due to an inspection-related matter.
