

35211 Safeguarding Partnership / Board

My request is directed at the Local Safeguarding Partnership / Board.

I would like to request the following information:

Between 1st January 2021 and 31st December 2021, how many Child Safeguarding Practice Reviews or Child Practice Reviews were initiated?

Of these reviews, how many were initiated because of the death of a child, and in what year did that death occur?

Can you please provide the same data requested in questions 1 and 1a for the following time periods:

Between 1st January 2017 and 31st December 2017

Between 1st January 2018 and 31st December 2018

Between 1st January 2019 and 31st December 2019

Between 1st January 2020 and 31st December 2020

The questions are based on the English model. We do not have a 'Local Safeguarding Partnership / Board' and we do not hold 'Child Practice Reviews'.

We do have our own processes but do not believe they can be translated to the question.
