

## 35255 CCTV Contract

Please can you send me the information stated below:

Supplier of the contract for CCTV maintenance and support.

North SV

How much the Organisation spend annually with the supplier? (if multiple suppliers please list the annual spend for each)

£68,763.96 per annum on average over the lifetime of the contract for maintenance.

What is the expiry date of this contract?

21 September 2026, with two optional extensions of three and two years.

What is the duration of the contract?

Five years with two optional extensions of three and two years.

What is the review date of this contract? If possible, the likely outcome of this review.

Annual reviews on the anniversary of the contract start date. Outcome cannot be determined at this stage.

The primary brand of the CCTV equipment. I don't require the model just the brand. If there are various brands could you please list?

The equipment is currently in the process of being replaced and has not yet been finalised. But the primary camera manufacturers will be 360 Vision and Bosch.

What is the total number of cameras in use/under this contract?

205, however this may increase.

The description of the services provided under this contract. Please state if this contract includes more than just CCTV services.

The end-to-end installation and maintenance of a Public Realm Video Surveillance System, along with ancillary infrastructure. This is the scope of the services provided under this contract.

Contact details of the employee responsible for the contract between the supplier and the organisation. Can you please provide me with their full contact details.
