

35262 Head Teacher Positions

How many applications were there for all Headteacher positions at Stockbridge Primary advertised in the last 5 years?

Broken down by advert and year for both internal and external: acting, temporary, and permanent.

The following advertised positions, advertised externally through MyJobScotland, include dates, number of applicants and the number of appointments:

EDN07332 – Head Teacher – External – Advertised 05/2018 – 1-5 Applicants / 0 Appointment

EDN07933 – Head Teacher – External – Advertised 08/2018 – 1-5 Applicants / 1 Appointment

EDN12911 – Head Teacher – External – Advertised 05/2020 – 6 Applicants / 1 Appointment

Although advertised externally, the posts were also open to internal applicants. Both appointments were on a permanent basis.

Temporary acting-up arrangements were put in place as necessary during the formal recruitment process, to ensure continuity of service, but were not separately advertised.

Where there were five or fewer applicants, these have been shown as '1-5'.

Given the small number of applicants we cannot provide the precise number as this could lead to an individual being identified. This would be a breach of the Data Protection Act 2018.
