

## 35282 Annual Inspection Report for McLeod Street

I seek information from the Roads Department concerning their annual safety inspection regime of roads under the City of Edinburgh Council's jurisdiction. Specifically, I seek the following information:

I request a copy of the last annual inspection report for McLeod Street, Edinburgh. This information should include a full copy of the report and its findings, the date the inspection was made and the date the report was compiled.

[Please refer to the 'Condition Survey' section of the attached Site History Report. The last annual inspection is listed as 25/08/2020.](#)

I seek clarification on when McLeod Street was last resurfaced in full - and what the council deem to be the expected life of a road surface of this nature.

[There is no record held of any carriageway resurfacing scheme at this location, or of the expected life of the road surface.](#)

I seek clarification on the nature of the Council's annual safety inspections of roads. Specifically, I request clarification on whether all roads are inspected annually, to what level of detail and whether there is an enhanced inspection regime for roads that have been identified as having a higher level of defects or that are nearing the end of their expected life.

[Please refer to the attached guidance document.](#)

I seek a record of all defects reported to the council concerning potholes or otherwise concerned with the state of the road surfacing of McLeod Street made in the 24 months prior to today's date (24/12/2019 to 23/12/2021). For each of the defects, I request details on the action taken and time taken to correct each defect.

[Please refer to the 'Condition Survey', 'Customer Services' and 'Maintenance Management' sections of the attached Site History Report.](#)

[Third party personal information has been redacted from the documents provided. Further redactions have been applied where the information is not within scope of the request, i.e. where it is clear that it does not relate to the carriageway of McLeod Street, such as reports relating to the pavement, foliage or bollards.](#)
