

35412 Street Lighting and CCTV Columns

We require the full list of all the street lighting columns and CCTV columns owned by the council, inclusive of the information listed below:

- Asset ID
- Asset Type
- Height
- Latitude
- Longitude
- Easting
- Northing

Please refer to the following attached documents:

[35412 Street Lighting Columns](#)

[35412 CCTV Columns](#)

We do not hold a record of Longitude or Latitude for the columns, but the Eastings and Northings data, where recorded, will confirm the location of each column. A full detailed record of each column is not recorded in every case.

The attached documents provide a full list of what is recorded.
