

### 35431 Dog-Fouling

Can you please provide an annual breakdown for the number of complaints or reports to the council about dog fouling in each of the years 2017-2021?

Please refer to the table below which is a record of all reports held by the Street Enforcement Team, the Street Cleansing Team and includes complaints received from the public.

<b>Year</b>	<b>2017</b>	<b>2018</b>	<b>2019</b>	<b>2020</b>	<b>2021</b>
<b>Street Enforcement</b>	439	533	332	143	189
<b>Street Cleansing</b>	2,240	2,390	1,927	1,351	1,335
<b>Total</b>	<b>2,679</b>	<b>2,923</b>	<b>2,259</b>	<b>1,494</b>	<b>1,524</b>

For each of these years, can you state how much was spent on cleaning up dog mess?

The removal of dog fouling is incorporated into the overall Street Cleansing budget, therefore it is not possible to provide a specific, separate cost for this.
