

35433 Part 4 - Infrastructure Proposals 'Transport'

Regarding the City Plan 2030 consultation carried out November/December 2021:

Can you set out the means by which that analysis will be conducted? What factors will influence the decisions made about what to include and what not to include and how were those factors arrived at?

The Scottish Government prepares policy on the implementation of legislation and procedures set out in circulars. [Circular 6/2013](#) covers Development Planning. The advice in paragraph 46 requires a note of representations made which sets out whether and how those representations were taken account of in the modified plan. It recommends this is prepared in the same form ('Schedule 4s') as the 'Summary of Unresolved Issues' that will be considered at the formal examination of the plan, which is set out in further detail in paragraphs 106-107 of the Circular.
