

35536 Community Payback Orders

How the local authority social work services team decides on the activities that can be carried out by offenders as part of the unpaid work requirement of a Community Payback Order.

Each activity that is suggested for unpaid work, is assessed using the following criteria; is it safe, is it beneficial to others, is there a learning element?

The current activities within the local authority that can be carried out as part of an unpaid work requirement of a Community Payback Order as of 18 January 2022.

If the local authority does not keep a definitive list at any given point in time, please list all activities that contributed towards an unpaid work requirement of a Community Payback Order since 1 April 2021.

Current activities are painting, gardening, path building, recycling, groundwork, bicycle repair, planting, gravestone repair, litter picking, basic joinery and educational/training activities as per 'other activity' requirement.

The total number of outstanding unpaid work hours that need to be completed as part of Community Payback Orders within the local authority as of 18 January 2022.

87,257 hours.
