Please can you advise if there are any plans to review the fine prices for PCN's issued by you? TfL recently increased their fees from £65 to £80 and from £130 to £160 for certain fines types.

Are you planning any increase in the next 6 months?

Unfortunately, we are unable to provide you with the information requested because it is not held by the Council.

Transport Scotland sets the rate of parking ticket charges. However, you may be interested to hear about a recent consultation which took place to look at a number of parking issues across Scotland, including the most appropriate level for parking ticket charges.

You can read more about the consultation at the following link:
