

35604 Offensive Graffiti

Upon inspection, should the graffiti illustrates an image or wording which is deemed to be offensive according to the Council's internal policy, then the Council will either attempt to make contact with the owner of the property by knocking on the door for example, or remove the graffiti themselves should the imagery be particularly offensive

How many times in the last year offensive graffiti vandalism issues reported with evidence have been removed from Edinburgh Southside Newington?

Over the requested period and within the Southside/Newington Ward, 31 instances of graffiti were reported as offensive. Five of those enquiries were noted as offensive and removed.

The number of offensive graffiti vandalism issues reported with evidence were escalated to Police Scotland.

Nil.
