

35719

How many Dangerous Wild Animal permits (under the Dangerous Wild Animals Act 1976) did your council approve, by year, in 2017-2021?

None

Which animals were these permits for?

None

What checks, if any, does your council make when granting these permits to the CITES species appendices: <https://cites.org/eng/disc/species.php>?

Check registered company details, check CITIES Appendices, check with Local Authority for origin of species within UK, Check Defra websites, APHA centre for international trade check and intel databases.

What checks, if any, does your council make to ensure these animals are not brought in through the illegal wildlife trade?

Check for correct permits & certification on imported species and not on the endangered lists, confirm certification with APHA, further information can be sought with Border Force Cities Team.
