

35725 Wind Turbines

Please provide me with a copy of the following:

1. How many wind turbines larger than 0.5MW have been installed since 2007 (inclusive of the year 2007)?
2. For each turbine larger than 0.5MW installed since 2007 (inclusive of the year 2007), please can we request the following information:

Permitting

- Environmental Statement, Figures and Appendices.
- Any Supplementary Environmental Information (SEI) / Addendum submissions, Figures and Appendices.
- Noise studies for the candidate WTG type.

Planning

- Complete planning application, including written application, Design & Access statement, and all plans.
- Planning permission including conditions.
- Documents and plans submitted to discharge conditions
- Approval / notice of conditions being discharged.
- Were there any other consents required – highways etc?
- Has there been any notice of possible enforcement action?

Lease and Options

- Copies of all signed Agreements and side agreements / letters.

The City of Edinburgh Council does not actively monitor the installation of wind turbines. All public information on applications for turbines and consents granted is available via the Planning Portal. Search for 'wind turbine' in the 'Simple Search' box. Any enforcement information can be found under the 'Related Cases' tab of the result.

<https://citydev-portal.edinburgh.gov.uk/idxpa-web/search.do?action=simple&searchType=Application>

Please note that some of those listed are consultations from neighbouring planning authorities. These can be identified by the suffix on the reference number (e.g. /WLC for West Lothian, /SBC for Scottish Borders, /FC for Fife).
