

35845 Traffic Light Sequence

We require details of the following Traffic light sequence:

Location - New Craighall Road, Edinburgh, Musselburgh, A6095

The set of traffic lights sequence we require are situated after the New Craighall/Whitehall Road roundabout on approach to the road which leads under the A1.

After the roundabout, the road has 3 lanes on approach to the traffic lights, the left lane goes to the A1 then 2 lanes go to the set of traffic lights - this road continues onto New Craighall Road heading under the bridge for the A1.

Can you provide us with this set of traffic lights please?

Please find attached the requested information. There are two junctions either side of the A1 flyover. The following information has been provided for both junctions:

- E579 West Junction is the junction layout drawing
- 579 is the signals sequence & timing sheet
- E514 East Junction is the junction layout drawing
- 514 is the signals sequence & timing sheet.
