How many PSTN telephone lines, ISDN2s and ISDN30s do you currently have in your network?

ISDN2 – 23

ISDN30 – 4

Analogue – 1764 (1528 with O2, 236 with BT)

Can you also confirm how many lines have/will be replaced as part of your WLR withdrawal process?

We would anticipate that all of the lines will be replaced as part of the WLR withdrawal process, but as yet this cannot be confirmed.
