Request for the following documents in respect of Hunter's Hall Park, from the period of 15/04/2021 – 15/05/2021:

Inspection records

Due to the current Covid-19 restrictions and the impact this has had on Council resources, no inspections were carried out during the time requested.

Maintenance and repair records

No repairs were undertaken during the period requested 15 April to 15 May 2021.

Grass cutting records

No record of dates of cutting are kept. The area is managed and maintained by the Council, so the grass areas are maintained over the summer.

Any reports or complaints about the state of the park, in particular, relating to manholes.

There was no specific complaint about the manhole covers during the period asked for in the request 15<sup>th</sup> April to 15<sup>th</sup> May 2021.
