Could you please send me a complete copy of the above census which pupils in Edinburgh will be asked/are being asked to fill in?

Please see the pdf copies of the questionnaires attached. Please note that the on-line questions will branch off depending on the response provided for each question.

The questionnaires, which can be completed in preview form, are published on the Council's website at the following link: <https://www.edinburgh.gov.uk/schools-learning/health-wellbeing-census/1>.

The census is also published on the Scottish Government website:  
<https://www.gov.scot/publications/foi-202100263860>

These can be viewed as a preview link. The preview links show how the survey will appear to respondents. To see the questions, you have to agree that you are happy to take the survey, choose a school and enter any 9 digit number for the SCN. None of the entries will be recorded and the information is not saved.
