

36054 Void Council Properties

Please supply me with the current number of void council properties in Edinburgh.

As at 14/03/2022 there were 1,337 empty Council homes.

Please note this figure is as at the date noted and includes homes that have been let but have a tenancy start date in the future, homes that have been identified to be sold or demolished, homes where capital improvement works are being undertaken, homes where there are repair works that take a longer period to complete such as structural and mixed tenure repairs, homes going through the empty homes repairs process and homes that have been advertised and are going through the allocation process.

Property Let (property that has a tenancy start date in the future)	Provisional Void (termination notice received, awaiting final inspection)	Programmed Void (homes to be sold/demolished, capital improvement works, long-term and short-term repairs)	Confirmed Void (homes that are actively being re-let or homes that need simple checks/works to reach lettable standard)
