

36085 Newcraighall Road, Edinburgh

For Newcraighall Road, Edinburgh could you please send me:

Details of any maintenance of the road surface since 1 June 2020 (to 28/02/2022).

Please refer to the 'Maintenance Management' section of the attached Site History Report.

Third party personal information has been redacted from the documents provided. Further redactions have been applied where the information is not within scope of the request, i.e. where it is clear that it does not relate to the carriageway described in the request.

Details or log of any inspections to the road surface including details of how each inspection, if any, was carried out since 1 June 2020.

Please refer to the 'Condition Survey' section of the attached Site History Report.

We do not record how each inspection is carried out. As per our operational guidance:

*"Mobile Inspections should normally be undertaken by two members of Transport staff in a slow-moving vehicle and cover the Strategic and Main Distributor Carriageway Routes. These Mobile Inspections shall normally follow a pre-determined route although deviations may occur based on the road conditions, live operations or other issues."*

*"Safety inspections should normally be undertaken as walked inspections and cover all roads and footways where the safety of the Officer can be maintained. It may also be appropriate to inspect cycle routes on a bicycle."*

Details of any communications about defects/potholes reported to Edinburgh Council on these roads 1 January 2021. Not including emails, meeting notes or chargeable information.

Please refer to the attached Site History Report.

Details of any repairs carried out to the road surface indicating the details of how this was done and how this was checked since 1 June 2020.

Please refer to the 'Maintenance Management' section of the attached Site History Report. We do not record details on how the repair was carried out or how it was checked.

I would like a copy of the council's road maintenance policy for these roads, or, if the council has no policy details of which national policy the council follows applicable to these roads from 1 June 2020.

Please refer to the attached guidance document.
