For the period starting 1st January 2020 and ending 31st December 2021:

How many family group conferences have been held?

315 FGDM meetings are recorded as being held. Unfortunately, due to the Covid19 pandemic, the stats for March 2020 are missing.

How many family group conferences have been held for child in need cases?

Of the 315, 133 plans were made to prevent children coming into care by either support to the parents to keep them at home or kinship options were offered.

How many family group conferences have been held for a child on a child protection order?

There were 30 Child protection plans made for children on CPR at family meetings

What was the year the first family group conference was held by your local authority?

The first FGDM in Edinburgh was held in 2003.

Please note that the numbers are lower than our usual stats because Covid meant that for periods of time (lockdowns) there were few family meetings being held as not all family wanted or could do online meetings
