

36658

How many people does the Council directly employ who received the Scottish Government "Thank You Payment" that was announced in November 2020?

[3,937 \(including 130 leavers\)](#)

Of the total above, can you please list all the different job titles of those occupations who received the Scottish Government "Thank You Payment" that was announced in November 2020?

Of all of those job titles listed above, how many post holders does the Council employ under each job title? (Please state, where possible the total number of post holders, rather than an FTE.)

Could I also request that a note is made of which division or service area – including ALEOs and partnerships with the NHS – in which the post holders are employed?

[Please see the attached document](#)
