

36671 IT

Does the Council have any plans to procure a digital social prescribing platform in 2022/2023?

There are no plans to procure a digital social prescribing platform in 2022/2023.

Does the Council have any current vacancies in the a) IT and/or b) Digital Transformation teams?

There are currently two posts which are likely to be filled through internal redeployment. There are no externally advertised posts at this time. All external vacancies are advertised on MyJobScotland at:
