

36703 Residents Parking Permits

I would like to know the number of residents parking permits issued for Bellevue Road and how that compares to the number of active parking places available for residents to use on Bellevue Road.

As of 13 April 2022, there are 126 active permit holders in Bellevue Road. There are 36 Shared-Use Parking Places and 49 Permit Holders Only Parking Places, giving a combined total of 85 parking places. Resident Parking Permit Holders in Bellevue Road are also able to use Shared-Use and Permit Holder Only Parking Places in other streets within their Zone.
