

36715 George Street

The maintenance and inspection records of George Street, in particular those at St Andrews Square end from 30th April 2020 to date (06/05/2022).

Please refer to the 'Condition Survey' and 'Maintenance Management' sections of the attached George Street Site History Report.

Accident reports, previous complaints for George Street and St Andrews Square from 30th April 2020 to date (06/05/2022).

Please refer to the 'Customer Services' section of the attached Site History Reports for George Street and St Andrew Square.

Any and all information relating to any permits/permissions for the installation of bollard and bollard holders on the road surface at George Street and the corner of St Andrews Square between 30th April 2020 to date (06/05/2022).

There is no information held with regards to permits/permissions for the installation of bollards and bollard holders. Attached are application forms for outdoor areas which reference barriers, not bollards.

Are there any obligations that require to be complied with by companies in the granting of such permits/permissions?

With regards to Tables and Chairs Permits, the following attached documents are relevant:

36715 Outdoor Area Occupation Permit Guidance Notes

36715 Additional Temporary Guidance for Placing Tables & Chairs on the Carriageway

Please note this guidance is in relation to Tables and Chairs Permits only and does not make specific reference to bollards.
