

36902 Planning Officials & Decisions

Number of FTE planning officials (or equivalent job title) employed by the council in the following financial years (running April to March): 17/18, 18/19, 19/20, 20/21, 21/22. Please provide total numbers across the department including planning officers and other associated job titles.

The number of FTE planning officials that work for Planning is published annually within our Planning Performance Framework, available on our website at:

<https://www.edinburgh.gov.uk/downloads/download/13139/planning-performance-framework>

Please refer to the 'Part 6 - Workforce Information' section of each year's report.

All Planning authorities are required by the Scottish Government to publish this every year. 2021/22 figures are due to be published in June 2022.

The number of planning decisions made by the council in the financial years outlined above.

This information is, or will be, published annually by the Scottish Government and is, or will be, available on their website at:

<https://www.gov.scot/collections/planning-statistics/>

The City of Edinburgh Council has just submitted figures for 2021/22 and they are currently being checked by the Scottish Government. They should be published in the next month or so.
