For each academic year from 2018-2021, please can you provide the following data:

The total number of incidents of restraint that took place in special schools and alternative provision sites in the local authority, and how many of these resulted in a physical injury to a child or young person?

The total number of incidents of seclusion that took place in special schools and alternative provision sites in the local authority, and how many of these resulted in a physical injury to a child or young person?

	Number of times restraint has been used	Number of times seclusion has been used
2018/19	1010	226
2019/20	101	24
2020/21	257	3
2021//22 (to date)	140	1

We do not hold information centrally on injuries to young people due to restraint or seclusion.

Do staff at special schools and alternative provision sites in the local authority receive regular training in the use of restraint?  
online

Yes, 10 special schools in City of Edinburgh Council staff are trained in CALM

If the above answer is yes, which type of training or provider is used, and how regularly

Staff are re-accredited annually in CALM
