

36952

Number of hospital social workers currently employed by your local authority (expressed as number of staff and as Full Time Equivalent, excluding vacancies)

We do not currently have a separate dedicated hospital social work team; this is embedded within the broader assessment and care management team based within the community.

Within this there are two specialist hospital based social worker posts:

- Renal Service -2 WTE Social Workers
- Scottish Liver Transplant Unit - 1.5 WTE Social Workers

Number of non-social work registered staff currently employed in hospital social work teams (care managers, assessment officers, assistant social workers etc) (expressed as number of staff and as Full Time Equivalent, excluding vacancies)

We do not have a specific dedicated team

Number of vacancies for social workers and non-social work registered staff currently employed in hospital social work teams (expressed as number of posts and Full Time Equivalent)

We do not have a specific dedicated team

Are these hospital social workers managed by a registered social worker?

Yes, any social worker undertaking hospital based work is supervised by a registered (senior) social worker

Do these hospital social workers have an office base within an NHS hospital / other NHS premises?

Yes, we have dedicated space for social workers in the hospital sites

If your local authority does not employ hospital social workers, please give the name of the body that does employ hospital social workers in your local authority area.
