

36963 Aluminium Composite Cladding

In relation to all buildings for which you hold data:

How many medium-rise buildings (11 metres to 18 metres tall) have been identified as having aluminium composite cladding, including any which have had remediation works started or completed?

(Please give the building or street name, or the area in which each is based if that is not possible)

No buildings with Aluminium Composite Cladding (ACM) have been identified.

The City of Edinburgh Council has not surveyed any medium-rise buildings. Only buildings with a top storey height of more than 18m above ground level were surveyed.

With regards to Council high-rise social housing, there is information published on our Disclosure Log which provides details of other types of cladding identified at:

<https://www.edinburgh.gov.uk/homepage/10467/freedom-of-information-foi-disclosure-log>

Please enter reference 26380 in the Search field.

How many high-rise buildings above 18 metres tall have been identified as having aluminium composite cladding, including any which have had remediation works started or completed?

(Please give the building or street name, or the area in which each is based if that is not possible)

There were no such buildings identified.

How many buildings with AC cladding (11m tall or higher) are in the private residential sector, how many are in the social residential sector, how many are student accommodation, and how many fall outside these categories?

No buildings with Aluminium Composite Cladding (ACM) have been identified.

How many buildings with AC cladding (11m tall or higher) have had remediation works started, how many have had remediation works completed, and how many are yet to have remediation works?

No buildings with Aluminium Composite Cladding (ACM) have been identified.

What is the estimated cost of cladding remediation works for all buildings 11m tall or higher with AC cladding, including any which have such work already completed?

Not applicable.

How much funding has been allocated to the council by the devolved or central UK government for cladding remediation works, as of today's date?

Not applicable.
