

37091 Data Privacy Impact Assessment for Empowered Learning

I would like to know if the council has a Data Privacy Impact Assessment for the Empowered Learning programme being rolled out in schools and if I could be sent a copy.

There is no Data Privacy Impact Assessment (DPIA) for the Empowered Learning programme as such. 'Empowered Learning' is the term being applied to the schools' iPad rollout. 'Empowered Learning' itself has not been 'DPIA-ed' however, the various applications that are included on the iPads have been.

There are a number of 'Apps', some of which are part of the 'Empowered Learning' programme and some which are not. We are currently working to clarify which 'Apps' are specifically part of 'Empowered Learning'.
