We are progressing designs for a new care home in the City of Edinburgh and would love the opportunity to meet with you and Shirley to show you the proposal. Myself and [REDACTED] would accommodate any day and time that suited you if you are allowed to meet in person at this stage. If not, I can post or email a full pack to you for reference so you are kept in the loop with what we are proposing to bring to Edinburgh.

Kind Regards

It's good news to hear you are planning another development in Edinburgh, and Shirley and I would be pleased to meet with you to discuss further. What about morning of Tuesday 14 December, say 10/10.30am?

Kind regards,
Emma
