Information to me by day 15 please - 06/06/22

How many schools have underspent their Pupil Equity Fund (PEF) money in your local authority in the 2021/22 academic year up to May 13, 2022?

Funding is allocated and reported by financial year but can be utilised until the end of the academic year.

At 31st March 2022 (end of financial year 2021/22), 110 Schools reported an underspend.

Can you give me a breakdown of each school and the outstanding PEF balance in the academic year up to May 13, 2022?

The attached summary reports the PEF balance by School at 31st March 2022 (end of financial year 2021/22).

Can you give me a breakdown of each of your school's PEF allocation for the last five years?

Allocations are published on the Scottish Government website.
