

37257 LGBT Youth Scotland Schools Charter

Please provide me with:

Details of the number and names of all primary and secondary schools in your council area which have applied for and are working towards or have been awarded an LGBT Youth Scotland Schools Charter.

The following primary and secondary schools have applied for, are working towards, or have achieved an LGBT Youth Scotland Schools Charter:

Primary Schools
Abbeyhill Primary School
Balgreen Primary School
Craigour Park Primary School
Gylemuir Primary School
Lorne Primary School
Sciennes Primary School
Secondary Schools
Balerno High School
Boroughmuir High School
Castlebrae Community Campus
Craigmount High School
Craigroyston Community High School
Drummond Community High School
Firrhill High School
Gracemount High School
Leith Academy
Liberton High School
Queensferry High School
The Royal High School
Trinity Academy
Tynecastle High School
Wester Hailes High School

I would also like to know the cost of a Charter per school.

The costs incurred varies from school to school as some schools' payments include the purchase of additional resources. The standalone 'cost of a Charter per school' is not held by the Council, however, LGBT Youth Scotland may be better placed to provide a detailed breakdown of their pricing structure.

Their contact details are on their website at:
