

37507 Drumsheugh Gardens

We are currently in the middle of the statutory order being actioned by the council.

Request for every piece of information related to the statutory order, dating from when the dangerous stonework was discovered.

In summary: the construction program, the letter of award, cost plans, correspondence from contractors and the companies who tendered for the job.

Construction Program

[See Item 1 – Programme of Works](#)

Letter of Award

[See Item 2 – Contract Award Letter](#)

Cost Plan

[Whilst no 'cost plan' document exists, we have assumed this to refer to tender documentation submitted by the contractor.](#)

[As the tender process is competitive, it is our position that to release this information would be likely to disadvantage the contractor, Go-Wright Ltd.](#)

Contractor Correspondence

[With the exception of the Programme of Works and Tender Documentation noted above, ESRS does not hold any additional correspondence from the appointed Contractor.](#)
