

37538 Feeding Pigeon Complaints

Please provide:

Copies of all correspondence ECC have received from the public regarding feeding pigeons in this flat/ pigeons living in this flat.

Please refer to the following attached document:

27538 Recorded Complaint

There are no other records of complaints recorded, such as any complaints that may have been received through phone calls.

The date(s) ECC staff visited the street/property to check on what he was doing.

The only recorded information found was the Public Health Survey Record - August 2011, which is attached.

The date ECC staff came to the property and removed the birds/forced him to remove the birds from his council- owned flat.

Having completed searches of records held by Street Enforcement, Waste Services, Pest Control, Family & Household Support, Environmental Health and the North East Locality Housing team, there are no relevant records held.

Copies of any correspondence ECC have had with David McCulloch regarding his right to keep wild birds/feed wild birds at 12 Adelphi Grove, Flat 3.

Any direct correspondence held between the Council and their tenant is considered to be third party personal information and cannot be provided in compliance with the Data Protection Act 2018.
