

### 37563 Boat Green Parking - Zone N1

I would like to know how many other Boat Green residents have been charged for parking in this area.

We have crossed checked the registrations of Resident Permit holders for Boat Green against Penalty Charge Notices (PCN) issued at this location and have identified four PCNs which have been issued to two separate residents.

If a resident of Boat Green does not have a Resident's Permit and is issued with a PCN, then we can only determine the owner's address when a Notice to Owner is sent to the Registered Keeper of the vehicle (to the address provided by the DVLA). We have identified 20 Penalty Charge Notices issued at this location since 2011 where a Notice to Owner has been issued and the Registered Keeper's address is Boat Green.
