

37644 Council Tax

Over the last four years, what is the total number and value of liability orders, bailiff referrals, value of arrears recovered and total costs of bailiff action for council tax arrears?

Please note that:

- In Scotland a summary warrant is similar to a liability order and debt is generally referred to Sheriff Officers as opposed to bailiffs.
- We do not hold the number of repayment plans.
- The total costs of sheriff action will not be provided. The information you have requested contains sensitive commercial information relating to an ongoing contract. If information relating to this contract is released it would prejudice the commercial interests of both the provider and the Council.
