I would like to receive a copy of all notes/emails/correspondence relating to these held by the council.

The requested information is recorded on a central database. Please refer to the attached report which is information extracted from this database.

Where there is third party personal information, this has been replaced with 'XXXX' in compliance with the Data Protection Act 2018.

A summary of Dumping, Littering and Dog-Fouling Service Requests, for the three years from June 2019 to May 2022, is provided in the table below:

All of the above were closed off as 'Resolved'. Two of the above were 'Not found', two were 'On Private Land' and two had 'No access'. Also, with regard to the reference numbers you provided, these are in relation to a back garden area so would not be actioned by filling in the online form (this is stated on the form).
