Does the Security of Network & Information Systems Regulations (NIS Regulations) apply to the Council or any part of the Council? (See here for information on the Reg: https://www.gov.uk/government/collections/nis-directive-and-nis-regulations-2018)

Has the Council implemented, or is the Council making preparations for, processes, procedures and policies related to NIS Regs?

The Council currently align themselves with the following standards: Scottish Public Sector Cyber Resilience Framework, IS27001 and guidance produced by the National Cyber Security Centre.

Has the Council considered training requirements for NIS Regs?

This has not been considered yet

Who is responsible for the NIS D project/management (a job title and name, or if employee is below the disclosable level just a job title is fine)

The Cyber Security Manager.
