

### 37723 Registered Taxis

Could you please provide an exact figure of the number of taxis and Private Hire Cars registered in the City of Edinburgh in each of the last five years?

The City of Edinburgh Council maintains registers which are published on our website at:

<https://www.edinburgh.gov.uk/downloads/download/13239/licensing-registers-civic>

Select 'Private hire car' and 'Taxi vehicle' from the list of Licensing registers civic.

These contain information on registered Taxi and Private Hire vehicles from 1 May 2014 onwards.

Also Transport Scotland report annual statistics on vehicle numbers, including Taxi and PHC, an example of which can be found in the link below.
